## Notable Works Fall 2018 Concert

Notable Works is excited to announce the release this fall of our new publication "Love Warms the Homeless Heart." A Collection Original Poetry and Current List of Shelters and Services In Rhode Island. This book, published by Notable Works, will feature the original works by our Artist In Residence, Noreen Inglesi, as well as other local poets and will address the issue of substandard housing and homelessness. Notable Works wishes to extend our special thanks to Mary Ann Rossoni of Second Story Graphics ([www.secondstorygraphics.com](http://www.secondstorygraphics.com)) for making this publication possible. This collection highlights the many life-changing situations surrounding the issue of homelessness. For example, in Noreen's poem, "Voices of the Earth" she depicts the social invisibility of a homeless woman on the street and the many voices in our community, which are dedicated to providing services and a safe haven to women, men, and families "in crisis." Copies of this book will be included in "The Love Warms The Homeless Heart Tote Bag Project," which is completed in partnership with Ann Tanzi's Smile Doll Program at the Cranston Senior Enrichment Center. In addition to this book, Notable Works provides all the hygiene items for these tote bags, which help families and individuals in need in our local communities.

Notable Works is proud to announce that Micheal DiMucci will be the featured performer at Notable Works' "Voices of the Earth: People Helping People" Annual Fall Concert on Friday, October 19, 2018 at 7 pm at the elegant St. Luke's Episcopal Church, located at 99 Peirce Street, East Greenwich, Rhode Island. Michael, a renowned tenor and pianist who performs as a guest singer for Opera Providence, brings to the St. Luke's stage a diverse repertoire from Opera to Broadway/Musical Theatre, Jazz and the American Songbook. The Notable Works Ensemble: Tina Bernard, guitar and vocals; Maria Bilyeu, cello; Dalita Getzoyan, flute and vocals; Noreen Inglesi, composer and vocals; Alison Shea, piano; and Mary Zema, composer, guitar and vocals are excited to be the opening act for this memorable event. Immediately following the concert, please join us in the St. Luke's courtyard to celebrate the release of our new publication "Love Warms the Homeless Heart," which includes a current list of resources, which we hope will help "at risk" individuals and families. There will be refreshments provided by Shaw's Market, local Stop and Shops, Texas Roadhouse of East Greenwich and Whole Foods Market. Special thanks to all our sponsors for helping to make this event and all our current projects possible. To purchase tickets in advance for this event, please call: 401-588-2964 or email: [noreeninglesi@cox.net](mailto:noreeninglesi@cox.net). Tickets are also available at St. Luke's Episcopal Church and Robert's Musical Instruments in West Warwick.
